RUH staff gave presentations on various aspects of experiences of leading change, responded to questions and two days later the students gave presentations on what they had learnt as a formal part of their course assessment.
- Chaired the second Shadow Council of Governors at the All Saints Centre, Weston. Agenda items included assurance reports on workforce, operational and financial performance and updates from the first meetings of the shadow working groups; Quality and Strategy and Business Planning.

- Update meetings with the Chairmen of the Royal National Hospital for Rheumatic Diseases and Sirona Care and Health.
