INFLAMMATORY BOWEL DISEASE
PATIENT EDUCATION EVENING

Want to find out more about Crohns Disease and Ulcerative Colitis?

The gastroenterology team are holding an evening with guest speakers discussing various aspects of Inflammatory Bowel Disease. This is a great opportunity to meet our specialist team and to find out more about your condition. Each education evening covers new topics.

Subjects for April include talks from the gastro pharmacist, genetics and IBD, and advice and question/answer session with the author of the IBD passport website about travelling with IBD.

Tuesday 2nd April 2019 **18:00-20:00**

**Oasis Centre, Royal United Hospital
Combe Park
Bath
BA1 3NG**

Refreshments will be provided. Full agenda to follow.
