

**RUH**

# Audiology service

The Audiology Department supports Ear, Nose and Throat (ENT) clinics, provides hearing aids, undertakes hearing and balance tests and complex hearing assessments/rehabilitation for all ages. The staff team consists of audiologists, clerical staff, students and volunteers.

## Location of Audiology

Second floor, Royal United Hospital (RUH) south - see map.

## Repair clinic

Repairs to hearing equipment are **by appointment only**.  
Please ring for a convenient appointment on **01225 821771**  
Repairs can also be sent by post.

## Contact details

**Audiology Clinic tel. no.** 01225 824035  
**Fax no:** 01225 824036  
**SMS:** 07917 077765

**Reception is open 9.00am – 5.00pm, Monday to Friday**

## Prepare for your appointment

Please remember to bring your hearing aid and record book (if you have one) with you when you attend the repair clinic or have an appointment for a reassessment. If possible ask the nurse at your GP practice to check your ears for wax prior to an appointment.

## Travel arrangements

Hospital transport is limited and reserved only for those who have no other means, we therefore ask you to make your own travel arrangements wherever possible.
