

Relocation of our Clinical Measurement Services

Autumn 2019

Staff and services will move to the Royal United Hospitals (RUH), Bath later this year. This is part of a phased programme of relocating **all services** from the Mineral Water Hospital site to the RUH.

Where will Clinical Measurement be moving to?

Clinical Measurement will be joining forces with colleagues at the RUH in a specially modified department which can provide suitable facilities for bone density and clinical imaging services. The Clinical Imaging and Measurement Department, situated in department C16 on the ground floor of the RUH, is just a brief walk from the RNHRD and Brownsword Therapies Centre, so patients can still have their clinical measurement appointments alongside their rheumatology clinic appointments.

When will Clinical Measurement Services move?

We have been planning the move of services for a number of years, and we are now in the final phase of getting ready to move **this autumn**.

Please visit our website www.ruh.nhs.uk/relocatingservices for the latest information including relocation dates.

What does this mean for me?

You'll receive the same service, from the same team who will be based in the RUH. If you will be attending for a rheumatology clinic appointment, as well as your Clinical Measurement appointment, you will have just a short walk between the two.

The Mineral Water Hospital site will remain open and services will continue to be provided as usual in the lead up to relocation and we will be working to minimise any disruption during this time.

Travelling to the RUH site

The main entrance to the RUH is located on Combe Park road. Car parking on site is available and there are over 700 spaces available, but it can be busy at times.

Two First Bus services, no. 4 and no. 20 stop outside the main entrance of the RUH and a park and ride service runs from Odd Down Park and Ride. Free parking is available at the RUH for Blue Badge holders who have logged their vehicle registration number(s) and Blue Badge details with us.

You can do this by visiting the RUH main hospital reception desk with your documents, or call us on 01225 824100 and present your Blue Badge when you next visit the RUH. Blue badge holders can register up to three vehicles

We look forward to welcoming you to our new location in the autumn.
