

Nurse Whiteboard v2 – Set Up

- 'Nurse Whiteboard v2' is now the landing page when accessing PowerChart, if it does not show along the top banner, select 'View' and 'Nurse Whiteboard v2' from the drop down

- Ensure you have the correct ward by selecting from the Patient List drop down

- If the patient's record is hatched out

Location	Patient Info	Ly/Stan	EWS To...	EWS Scale
Main-Bed 01 (SR) Helena	ZZZTESTROB, EDCAPMAN MRN: 2320586	30 yrs M		

- Select 'Establish Relationships' and select the patients that you wish to view

- 'Layout Configuration' allows the user to select which columns they wish to view and in which order. To organise this click on the three lines with downward arrow to the right of the screen. Select 'Layout Configuration'.

- Select/deselect required columns. EWS Total Score Click and drag to put them in the required order and click 'Apply' to save

Nurse Whiteboard v2 – New Features

- You will be able to access a lot of information here including the most frequent NEWS score, Observation frequency, Sepsis status and outstanding tasks
- It is a more effective way to view patient's records
- It can help ensure that the **'Needs Sepsis Screening'** is completed in a timely manner
