Family activities (Pink zone)

Enjoy activities for our younger visitors, including clay making, magnets and bubbles, courtesy of our onsite nursery Riverside.

For older children, head over to the careers stand for games, dressing up and information about what it's like to work in the NHS.

Meet our paediatric team to ask a question about child health, or chat to our specialist breastfeeding team and volunteers to find out more about the support on offer and for family-friendly activities including colouring in and a giant jigsaw.

This is just a selection of the family-friendly activities on offer. There are plenty of games and activities at many of the stands throughout the day, so please feel free to take a look around and get involved.

Enhanced care (Pink Zone)

Find out how we are helping those who might need extra support when they come to hospital, and meet our specialist teams. There will also be activities like dementia-friendly computer games and water painting.

RUHX (Yellow zone)

Go on a tour of the Dyson Cancer Centre and find out how you can get involved in fundraising for our hospital charity, including more about our upcoming Glow Run.
