PRESS RELEASE

Meeting with Lord Mancroft

The hospital's Chief Executive, Medical Director and Director of Nursing met with Lord Mancroft today. Lord Mancroft was given the opportunity to discuss with them, the specific detail of the issues he's already raised about his stay at the hospital in August of last year.

The purpose of the meeting was also to confirm to Lord Mancroft that the hospital would take great care to investigate any detailed concerns as thoroughly as possible and would, when appropriate provide him with a response about those investigations.
